

Präsentation der Capaisa Ltd.

Shanghai - Hamburg

Unternehmen

Kabelkonfektion

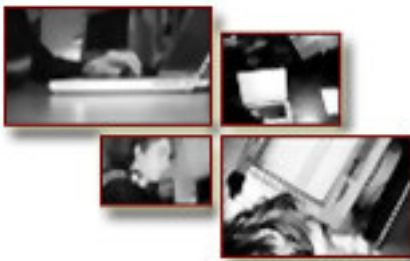

- auto wiring harness
- air-condition wiring harness
- refrigeratory wiring harness
- washer wiring harness
- AC/DC power supply connector
- strip connector
- computer & accessory connector
- TV & display connector
- network connector
- others

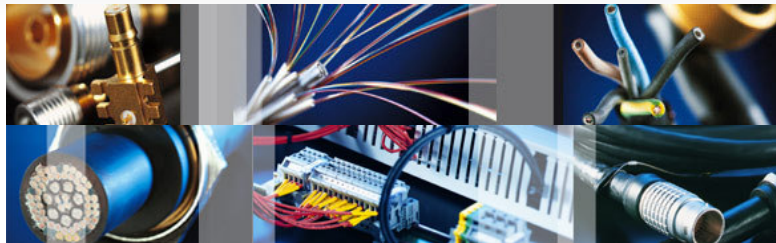

Qualität

Kunden

Capaisa Ltd. ist ein internationaler Dienstleister und Zulieferer mit Hauptsitz in Shanghai und Hamburg. Wir begleiten Unternehmen, die in China erfolgreich sein wollen.

Um Ihre Firma auf dem Weg zu profitablen Wachstum zu unterstützen, gehen wir weiter als nur Konzepte zu entwickeln. Zusammen mit Ihnen setzen wir diese auch in die Praxis um.

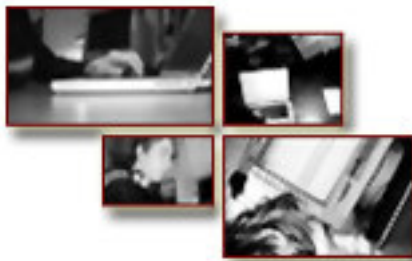

Unternehmen

Kabelkonfektion

- auto wiring harness
- air-condition wiring harness
- refrigeratory wiring harness
- washer wiring harness
- AC/DC power supply connector
- strip connector
- computer & accessory connector
- TV & display connector
- network connector

Qualität

Kunden

Wir fertigen individuelle Kabelbäume, Spiralisierte Kabel, Datenkabel, Leitungssätze, kundenspezifische Stecksysteme und Komponenten mit höchster Professionalität und Qualität. Die Kompetenz als Steckerbinderhersteller mit eigenem Werkzeugbau verschafft uns auch in diesem Geschäftsfeld technologischen Vorsprung.

Kostenvorteil

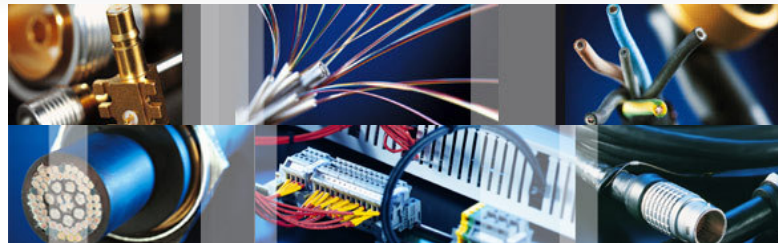

Durch unsere leistungsfähige Fertigung in China und Abwicklung der globalen Materialwirtschaft unter anderem auch mit international namenhaften Lieferanten.

Logistikvorteil

Durch die Lagerung von Serienfertigteilen im deutschen Warehouse ermöglicht uns unsere Kunden in Deutschland just in time zu beliefern und gewährleistet damit die größtmögliche Flexibilität.

Qualitätsvorteil

Durch unsere hohen Qualitätskontrolle und QM-System ISO9001, TS16949 und UL Zertifikate.

Qualitätssystem

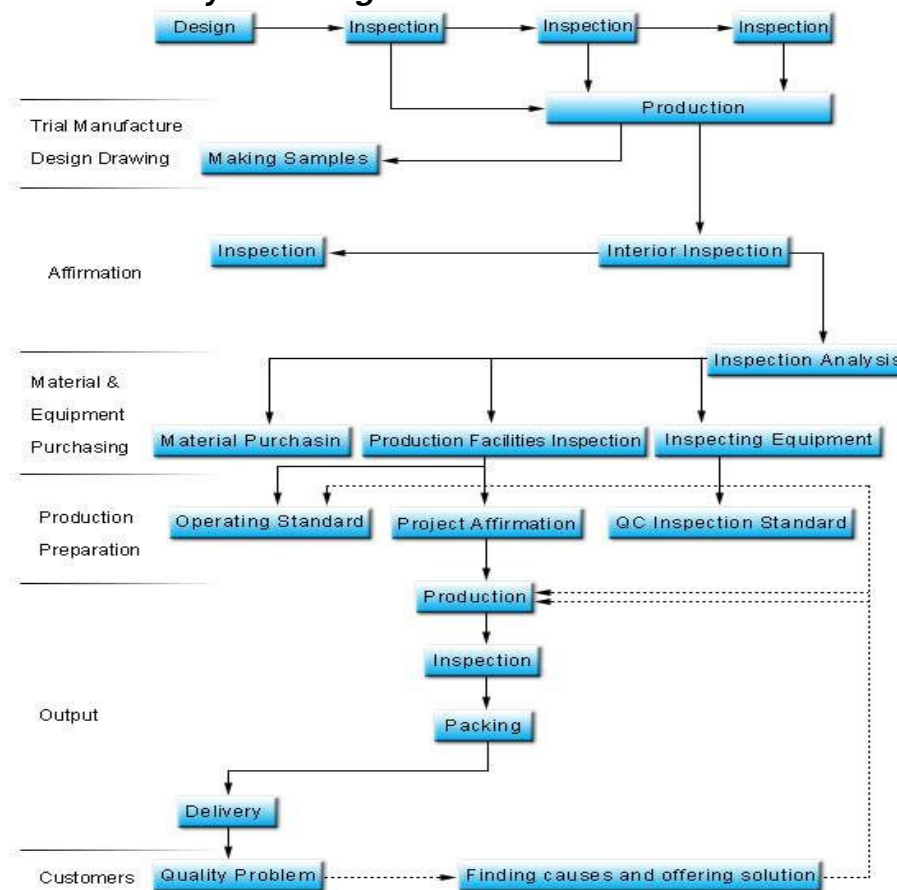

Unser zuverlässiges Qualitätsmanagement und unsere flexible, schnelle Arbeitsweise machen uns zu einem idealen Outsourcing-Partner der Kabelkonfektion für Sie.

Der moderne Maschinenpark in China ermöglicht es uns rationell und qualitativ hochwertig zu fertigen. Mit den modernsten Prüfmittel ermöglichen uns auf alle Qualitätsanforderungen der Kunden zu reagieren.

Unsere Produktionsstätten sind ISO 9001 und ISO/TS 16949 zertifizierte Betriebe die nach höchsten europäischen Qualitätsstandards fertigen. Die Entwicklung und das Qualitätsmanagement obliegt europäischem Know How.
